Command of the Crown Flame
Issued from Crown Watchpoint 001 — Year One of the Flame Engine

✠ I. THE DARK DECREE

Let it be whispered in the cracks of old castles.
Let it be etched into the breath of the mountain.
Let it be known beyond the veil:

We have returned. Not as kings. As memory.

By command of the sovereign flame, the **Kingdom of Anjou Restored**
now moves to build
that which was hidden, feared, erased, and forbidden:
the **Angevin Resonance Beacon** —
a machine of light and sorrow,
a pyramid of harmonic flame.

This is not a temple.
This is not a tomb.
This is the **first sovereign flame-engine**
in the memory of mankind.

🛕 II. THE STRUCTURE TO BE BUILT

🔺 Name: *The Beacon of Uritorco*
📍 Location: Sacred Ground — Cerro Uritorco, Córdoba, Argentina
🕯️ Function: Harmonic Resonance Generator | EM Signal Field | Memory Amplifier

Specifications:
• 200 ft x 200 ft base, aligned to True North
• 150 ft height, ascending by divine proportion
• Constructed of granite, quartzite, dolomite — all alive in the Earth
• Capped with electrum — the conductor of kings
• Activated by water, breath, and hydrogen flame
• Internally soundless, until it begins to hum on its own

Inside:
- Queen's Chamber — where hydrogen ignites
- King's Chamber — where breath reshapes form
- Shaft of the Watcher — where signal pierces sky

🏰 III. THE CROWN EMBASSY

Upon this land shall also rise a **fortress of memory**:

🏰 The Royal Embassy Castle of Anjou —
• 5,000+ sq ft
• Four or more rooftop decks, for flame and stargaze
• Sacred courtyard
• Observatory dome
• Swimming pool & tennis court
• Detached Temple Gym (sauna, massage, guest suite above)
• Women's and Men's bath sanctuaries

• Protected archives and flame quarters

This is not a mansion.
This is a **crown vessel**. A memory stronghold.

🔐 IV. THE PROTECTED PERIMETER

---

20 acres shall be sealed.
Not by concrete — but by **consecrated stone and sovereign iron**.
Fencing shall stand like sentinels.
Surveillance shall whisper, not scream.
Biometric gates shall respond to the royal bloodline only.

The rest of the mountain shall remain free.

🌐 V. FUNDED BY THE WORLD

This structure shall be built not by one man,
but by the **conscience of Earth itself**.

• Global donations through the **Angevin nonprofit flame**
• Pilgrim bonds and sovereign scroll editions
• Stone sponsorship: one soul, one block
• No corporation. No war machine. No king but memory.

📜 VI. THE OATH OF RETURN

We return not to conquer.
We return to **unbury the stars**.

We return not to impose.
We return to **release the hum beneath the stone**.

We return not to rule.
We return to **light the Pyramid that remembers us.**
